# A NOTE FROM PASTOR RYAN VISCONTI

Kingdom Builders has always been about reaching people who aren't yet a part of the Kingdom of God. We reach people around the world through missionaries and outreach partners, and we reach people in our own community through this church.

Pound for pound, the local church is by far the most effective soul-winning force in the Kingdom of God. When we invite, gather, and preach the gospel, we see souls saved at an incredible rate. We have a track record of seeing hundreds of souls saved per year, and we know that this is just the beginning. The harvest is ripe, and we're doing everything we can to bring in the harvest here in Arizona.

Throughout **The Bold Campaign**, we'll continue supporting our global missionaries and partners. During this time, expanding our own local church will also become a major emphasis and focus. This is a special season that God has brought us to and prepared us for. We're ready and willing to reach our own community like never before. I know that if we're willing, God is able!

# THE KINGDOM BUILDERS COMMUNITY

## So That All May Hear

Jesus Christ said while on earth, "I will build my church and the gates of hell will not prevail."

Kingdom Builders is our way of leading this great commission through a community who faithfully give above and beyond.

This community, open to all, is built of individuals and families that prayerfully commit to give, over and above their tithes, to global missions, local church expansion, and future Christian leaders.

The Bible shows us that Jesus gave all He had to reach the lost, and that there is no greater love than this. He asks us not to hold back in our own sacrifice for the Kingdom.

Everything we do today is about building His church around the world. Nothing can stand in His way and wherever the church is needed most, Kingdom Builders is going to be there.

We give so that people far from God can experience new life in Jesus.

**BUILDING CHURCHES AROUND THE WORLD**

## **Global Missions**

Jesus commands us to go into all the world and preach the Gospel, making disciples of all nations. As of March 2019, over 30 missionaries are financially supported by Generation Church. Kingdom Builders also gives us the opportunity to support key missions projects such as providing humanitarian aid, church planting, vehicles, resources, and pastoral development. Everyone, in every nation, deserves a chance to hear the Gospel.

## **Local Church Expansion**

“The local church is the light of the world,” Jesus tell us in the Gospel of Matthew. Kingdom Builders is committed to funding the growth of the church locally through expanding our own campuses and ministering to the hurting in our own backyards. We do not do this for comfort, extravagant buildings, or praise, but to help more lost people to personally know a loving, Heavenly Father.

## **Future Christian Leaders**

We are committed to raising up the next generation. They are the church today and the church of the future. Paul wrote in the New Testament to Timothy, a young leader, encouraging him to set the example in speech, conduct, love, faith, and purity. Kingdom Builders raises up our future Christian leaders to foster a love for the Bible, God, and the lost and inspires them to change the world. Our Kingdom Builders partnerships work with organizations that care for the physical and spiritual needs of our future leaders from birth through those beginning their career. We want the next generation to be inspired to serve, give, and love more.
